Fifth Annual Conference

Join other Western Region CCFP sponsors to celebrate our strengths and ability to deal with the changes, challenges & choices in this fifth year. The conference committee has worked very hard to create a conference which is responsive to your identified needs — providing opportunities for both professional and personal growth, as well as time for relaxation. Bring your questions, expand your ideas, connect with other sponsors, make choices, find solutions.

Complementary fifth anniversary gift and Sponsors' Resource booklet will be available!
